**Your space to explore, create, connect and grow.
A year where you'll feel more confident and more
connected. Enrichment is where confidence builds,
new interests spark, friendships form, your strengths grow,
and your journey stretching beyond the classroom.**

Our Personal Development Team has crafted a programme inspired by the ideas and experiences students shared last year, and with thousands of students getting involved, this year's offer is bigger, bolder and ready for you to dive into. Whether you're here to discover something new, try something creative or get active, enrichment opens doors for every passion and every pathway.

This booklet gives you a taste of all the exciting experiences coming your way this year. From guest speakers and events, workshops to trips, clubs to sports, volunteering and leadership opportunities, there's something here for every curiosity and ambition. We're excited to help you make this year your most memorable yet.

Turn the page, get inspired and unlock everything enrichment has lined up for you.
