Sport and Physical Activity at Bradford College.

Sport and physical activity at College is your chance to get active, feel good and be part of something refreshing. With our qualified coaches and staff, our team is here to help every student thrive. You'll find spaces to grow your confidence, build new skills and discover what you're truly capable of.

Whether you are joining a competitive team, trying a sport for the first time or simply looking for a fun way to stay active, our enrichment offer has something for everyone.

From coached sessions to casual clubs and one off events, this year is packed with opportunities to move, connect and challenge yourself in the best possible way.

Take a look at what's on offer and make physical activity part of your College experience. Give something a go and feel the energy that comes from getting involved.

START YOUR OWN

Club or Society?

A club is usually focused on a shared activity or hobby, like sports, gaming, or performing arts. For example, a Football Club or Chess Club.

A society often centres around shared interests, culture, or academic subjects, such as the Psychology Society or Afro-Caribbean Society.

Both bring students together, but clubs are more activity-based, while

societies are more community or interest-focused.

Why set up a club?

Creating and running a club or a society can be challenging. However, it can also be very rewarding, great fun and will look great on your CV! There are lots of benefits to setting one up, which include:

- Meeting new people and sharing interests or hobbies
- Developing friendships
- Gaining skills highly valued by employers

In addition to this all SU clubs get:

- Access to funding and training
- Support from the Students' Union
- Access to college facilities e.g. meeting rooms, sports facilities,
- Online promotion and marketing

To set up a club or asociety please visit our SU website
www.bradfordcollegesu.co.uk/clubs

Fill out and return form to
s.union@bradfordcollege.ac.uk and a member of staff will be in touch.

Scan the QR code to access the application form
